

Media Release

April 10, 2019 Council Meeting Summary

For Immediate Release: April 11, 2019

The following items were discussed at the regular monthly meeting of the Stratford Town Council.

7 Lot Subdivision Deferred

Council voted in favour of deferring a decision on a proposed 7 lot subdivision containing all duplex, semi-detached and townhouse units within the Medium Density Zone (R2) at 262 Stratford Road until the May monthly town council meeting.

Committee Member Appointment

Council approved a resolution to appoint Malcolm MacKenzie to the Infrastructure Committee for the remainder of the current term ending November 30, 2020.

Grass Cutting Tender Awarded

The tender for grass cutting services received four responses with Exact Lawn Care being awarded the 2019-2022 contract having provided the lowest overall price at \$118,712.20, subject to the terms and conditions of the Independent Contractor Agreement. The agreement includes measures to evaluate the performance of the company throughout the contract period with an option from the Town of Stratford to cancel the contract subject to unsatisfactory performance.

Investing in Canada Infrastructure Application

Council passed a resolution allowing Town staff to proceed with applications for the following capital projects identified for ICIP funding in the 2019 and 2020 town five year capital plan, in priority order:
